Total surveys completed: 413

Overall Margin of Error (MoE): 4.82%

Program	Funding Source	Description of Program	Total Usable Surveys Collected	Total Population Eligible for NCI-AD
Health & Wellness Waiver	1915b	Health & Wellness Waiver - The H&W Waiver is designed to provide an alternative to NF admission for Medicaid-eligible persons ages 59 and younger with a disability by providing supports to complement and supplement informal supports for persons who would require care in an NF if waiver services or other supports were not available. The services available through this waiver are designed to help members remain in their own homes, as well as to help individuals residing in NFs to return to community settings, such as their own homes, apartments, assisted living or adult family care.	105	13,096
PathWays Waiver	1915b	The PathWays Waiver is designed to provide an alternative to nursing facility (NF) admission for Medicaid-eligible persons ages 60 through 64 with disabilities and those ages 65 and older (with or without disabilities) by providing supports to complement and supplement informal supports for persons who would require care in an NF if waiver services or other supports were not available. The services available through this waiver are designed to help members remain in their own homes, as well as to help individuals residing in NFs to return to community settings, such as their own homes, apartments, assisted living or adult family care.	200	29,427

Program	Funding Source	Description of Program	Total Usable Surveys Collected	Total Population Eligible for NCI-AD
Older Americans Act	OAA	The OAA program is designed to provide community-based services and opportunities for older individuals and their families. Recipients are generally over the age of 60.	38	1,900
Community and Home Options to Institutional Care for the Elderly and Disabled (CHOICE)	Aging state funds	The CHOICE program is designed to provide HCBS to assist individuals in maintaining their independence in their own homes or communities for as long as is safely possible. Recipients must be at least 60 years of age or have a disability. CHOICE funds may not be used if other funding such as Medicare or Medicaid is available to meet the individual's needs.	28	1,900
Traumatic Brain Injury Waiver	1915c	The TBI Waiver's goal is to ensure that individuals with a traumatic brain injury receive appropriate services based on their needs and the needs of their families. The TBI Waiver provides home- and community-based services to individuals who, but for the provision of such services, would require institutional care.	22	189
Social Services Block Grant (SSBG)	State Block Grant	Social Services Block Grant are federal funds that provide services that include, but not limited to, congregate and home-delivered meals, transportation, care management, caregiver support and chronic disease management. Social Services Block Grant money funds services for older adults and persons with disabilities with a documented financial or service need.	20	270

Program	Funding Source	Description of Program	Total Usable Surveys Collected	Total Population Eligible for NCI-AD
Family Care	Fed matching and general revenue.	PD, AD, and IDD Medicaid members. Wisconsin's primary managed care option for LTC.	628	27,892
Include, Respect, I Self-Direct (IRIS)	Fed Match and general revenue	PD, AD, IDD members. Wisconsin's self-directed, alternative option to managed care.	627	14,768
Family Care Partnership	Fed Match and general revenue	PD, AD, and IDD LTC members. Partnership is a limited managed care pilot program. Both acute and LTC care services are integrated in Partnership. Partnership is a relatively small program for Wisconsin's total LTC enrollment. It is also geographically limited to only select counties in the greater Milwaukee metro area.	515	2,309
